

Privacy Policy

Space Shooter Party

Last Updated: May 14, 2026

1. Introduction

Welcome to Space Shooter Party (the "Game"). This Privacy Policy explains how we handle information in connection with your use of our mobile game available on Google Play.

By downloading and playing Space Shooter Party, you agree to the practices described in this Privacy Policy. If you do not agree, please do not install or use the Game.

2. Information We Collect

2.1 Information We Do NOT Collect

We do not directly collect, store, or process any personal information such as:

- Your name, email address, or contact details
- Location data
- Photos, videos, or files from your device
- Device contacts or calendar information

2.2 Information Collected by Third Parties

Although we do not collect personal data directly, our Game uses third-party services that may collect certain information automatically. These services include:

2.2.1 Google AdMob (Advertising)

We use Google AdMob to display advertisements within the Game. AdMob may collect and use the following information to serve relevant ads:

- Device advertising ID
- IP address
- Device type, operating system, and language settings
- App usage and interaction data

AdMob's data collection is governed by Google's Privacy Policy, which you can review at: <https://policies.google.com/privacy>

You can opt out of personalized advertising by adjusting your device settings (Settings > Google > Ads > Opt out of Ads Personalization on Android).

2.2.2 Google Play (In-App Purchases)

The Game offers optional in-app purchases processed entirely through Google Play. We do not collect or store your payment information. All transactions are handled by Google Play and subject to Google's Terms of Service and Privacy Policy at: <https://policies.google.com/privacy>

3. How Information Is Used

The information collected by our third-party partners may be used for the following purposes:

- To display relevant advertisements within the Game (AdMob)
- To process in-app purchase transactions (Google Play)
- To analyze game performance and improve user experience
- To prevent fraud and ensure security

4. Children's Privacy

Space Shooter Party is rated for Everyone and may be played by children under the age of 13. We take children's privacy seriously and comply with applicable laws including the Children's Online Privacy Protection Act (COPPA) and Google Play's Families Policy.

We do not knowingly collect personal information from children. Our Game uses Google AdMob, which provides a child-directed treatment setting. Ads served to users in a child-directed context are non-personalized and comply with applicable children's advertising guidelines.

If you are a parent or guardian and believe your child has provided personal information, please contact us immediately using the contact details below so we can take appropriate action.

5. In-App Purchases

Space Shooter Party offers optional in-app purchases. These purchases are:

- Processed securely through Google Play
- Subject to Google Play's refund and billing policies
- Not stored or processed by us directly

Parents and guardians are encouraged to enable Google Play's parental controls to manage and restrict in-app purchases made by children. This can be configured in the Google Play Store settings.

6. Advertising

The Game displays advertisements provided by Google AdMob. These ads help us keep the Game free to play.

Personalized Ads: AdMob may use your device's advertising ID to show ads tailored to your interests based on your activity across apps and websites.

Non-Personalized Ads: If you opt out of personalized advertising, you will still see ads, but they will not be tailored to your interests.

To learn more about how Google uses data from apps that use its services, visit:
<https://policies.google.com/technologies/partner-sites>

7. Data Sharing and Disclosure

We do not sell, trade, or rent your personal information to third parties. We may share information only in the following circumstances:

- With third-party service providers (such as AdMob and Google Play) strictly for the purposes described in this Policy
- If required by law, regulation, or legal process
- To protect the safety, rights, or property of our users or the public

8. Data Security

We take reasonable steps to protect the information handled in connection with our Game. Since we rely on trusted third-party services (Google AdMob and Google Play), your data is protected by their respective industry-standard security measures.

However, no method of transmission over the internet or electronic storage is 100% secure. We encourage you to review the privacy and security practices of our third-party providers.

9. Your Rights and Choices

Depending on your location, you may have the following rights regarding your data:

- Opt out of personalized advertising via your device settings
- Request information about data collected about you by contacting us
- Request deletion of any data we may hold about you

To exercise any of these rights, please contact us using the information provided below.

10. Third-Party Links and Services

Our Game may contain links to third-party websites or services. We are not responsible for the privacy practices of those third parties. We encourage you to review their privacy policies before providing any personal information.

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. When we do, we will revise the "Last Updated" date at the top of this page. We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your information.

Continued use of the Game after any changes to this Privacy Policy constitutes your acceptance of those changes.

12. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy, please contact us at:

Game Name: Space Shooter Party

Email: lightdevs2005@gmail.com

Developer Name: LightTerm

We will respond to your inquiry within a reasonable timeframe.

This Privacy Policy was created specifically for Space Shooter Party and is intended to comply with Google Play Developer Program Policies, COPPA, and applicable data protection regulations.
